

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to www.asrhealthbenefits.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 616-957-1751 or 1-800-968-2449 to request a copy.

Important Questions	Answers	Why this Matters:
<p>What is the overall <u>deductible</u>?</p>	<p>\$500/covered person or \$1,000/family for services rendered by <u>in-network providers</u>, and \$1,000/covered person or \$2,000/family for services rendered by <u>out-of-network providers</u>. Amounts applied toward the <u>deductible</u> for <u>in-network</u> services will also accrue toward the <u>deductible</u> for <u>out-of-network</u> services, and vice versa.</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p>Are there services covered before you meet your <u>deductible</u>?</p>	<p>Yes. <u>In-network preventive care</u>, most <u>in-network</u> physician exam charges (primary care, <u>urgent care</u>, <u>specialist</u> visits), routine immunizations administered in a pharmacy or at the Department of Community Health, physician fees for an exam in an emergency room, some chiropractic care, and <u>prescription drug coverage</u> are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without cost-sharing and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/.</p>
<p>Are there other <u>deductibles</u> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</p>	<p>The <u>out-of-pocket limits</u> for medical <u>coinsurance</u> are \$0/covered person or family for services rendered by <u>in-network providers</u>, and \$3,000/covered person and \$6,000/family for services rendered by <u>out-of-network providers</u>. These figures do not include the <u>deductible</u> or any <u>copayments</u>. Amounts applied toward this <u>out-of-pocket limit</u> for <u>in-network</u> services will also accrue toward this <u>out-of-pocket limit</u> for <u>out-of-network</u> services, and vice versa.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>

Important Questions	Answers	Why this Matters:
<p>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?, cont.</p>	<p>The total <u>out-of-pocket limits</u> for medical services are \$3,000/covered person and \$6,000/family, and they apply to services rendered by in-<u>network providers</u> only. These figures include the <u>deductibles</u> and the <u>coinsurance out-of-pocket limits</u> shown above as well as in-<u>network medical copayments</u>. The <u>out-of-pocket limits</u> for prescription costs are \$3,600/covered person and \$7,200/family.</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <u>out-of-pocket limit</u>?</p>	<p><u>Deductibles</u> and <u>copayments</u> on certain services are not included in the above <u>out-of-pocket limits</u> applicable to medical <u>coinsurance</u>. Services rendered by out-of-<u>network providers</u> are not included in the above total <u>out-of-pocket limits</u> for medical services. Amounts attributed to the above total <u>out-of-pocket limits</u> for medical services are not included in the <u>out-of-pocket limits</u> for prescription costs. In general, <u>out-of-pocket limits</u> do not include penalties; charges that exceed the <u>plan's usual, customary, and reasonable fee allowance</u> or are in excess of stated maximums; <u>premiums</u>; <u>balance-billing</u> charges; and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p>Will you pay less if you use a <u>network provider</u>?</p>	<p>Yes. See www.asrhealthbenefits.com or call 616-957-1751 or 1-800-968-2449 for a list of <u>network providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the <u>plan's network</u>. You will pay the most if you use an <u>out-of-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>
<p>Do you need a <u>referral</u> to see a <u>specialist</u>?</p>	<p>No.</p>	<p>You can see the <u>specialist</u> you choose without a <u>referral</u>.</p>

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

About these Coverage Examples:

Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
