Rules/Regulations

Personal Behavior

The Math/Science Center field experience you have elected to attend offers many unique opportunities and experiences. Beyond the educational benefits, the trip offers opportunities to form new friendships and to meet the challenges of independence.

We, at the Math/Science Center, promote a trip atmosphere where chaperons and students support one another with genuine respect. As a student participant, it is your responsibility to help make the trip a positive and enjoyable experience for yourself, fellow students, and chaperons. All participants are expected to demonstrate high standards of conduct and to accept personal responsibility and consequences for their actions. You are expected to exhibit honesty, courteousness and consideration toward others. This includes those in your group, as well as anyone else with whom you may come in contact, such as bus drivers, guides, and restaurant and hotel staff.

Our goal at the Math/Science Center is to make this trip an educational, safe and enjoyable experience for everyone. We ask each individual's cooperation and commitment to the following behavior guidelines to help us meet this goal.

We expect the student/participant to obey the following rules of behavior:

- 1) The student is to follow the directions and the rules and regulations established by the chaperons, both prior to and during the trip.
- 2) The student shall not be involved in any way with smoking, alcohol, illegal drugs, vandalism, theft, or any other type of behavior that is judged by the chaperons to be detrimental to the health, well-being, safety, or reputation of him/herself or anyone else in the group, including the chaperons of the Math/Science Center.
- 3) The student shall comply with all the rules and regulations of the various governmental and commercial agencies (such as airlines, hotels, bus, companies, host organizations, etc.)
- 4) The student shall remain with the group at all times.
- 5) The student shall respect and follow the direction of the Math/Science Center chaperons, and hotel supervision.
- 6) No throwing of any object or tampering with hotel property is allowed.
- 7) The use of hotel facilities carries with it the responsibility of leaving them in the same condition in which they were found. The student is responsible for any damage.
- 8) Quiet hours at the will be observed from 10:00 P.M. until 6:00 A.M. At 11:00 P.M. students must be in their own rooms. Students must remain in their dorm rooms until acknowledged by a chaperon.
- 9) The student may never leave their dorm unless accompanied by a chaperon.
- 10) The student must sleep in his/her assigned dorm room each night.
- 11) Good common sense, respect and consideration for others and their property should be practiced daily.

If the student should violate any of these rules, he/she may be sent home at the sole discretion of the chaperons. In such case, the parent/guardian will be contacted and the student will be sent home at the parent's expense.
