

# Sample Program of Study

## Associate in General Studies

*This plan of study should serve as a guide, along with other career planning materials, as you continue your career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner's educational and career goals. All plans must meet high school graduation requirements as well as college entrance requirements.*

Location	Grade 9	Grade 10	Grade 11	Grade 12	Grade 13
<b>High School</b>	Algebra I or Geometry Biology English 9 PE/Health US History	Chemistry English 10 Geometry or Algebra II World History	<b>Summer</b> College Readiness Success Strategies Bootcamp	none	none
<b>Early College</b>	none	none	<b>Fall</b> ENGL 101: English Composition I HIST 202: American History General Elective  <b>Spring</b> ENGL 102: English Composition II Humanities/Fine Arts General Elective	<b>Fall</b> General Elective General Elective General Elective  <b>Spring</b> General Elective General Elective General Elective	<b>Fall</b> Natural Science General Elective General Elective General Elective  <b>Spring</b> Math Requirement* General Elective General Elective General Elective

### Notes:

College courses can be used to meet MMC requirements through dual enrollment.

\*MATH XXX (course will be determined by assessment scores) is final HS MMC required course

*(The final HS course credit that's "held back" can be adjusted on an individual basis, please discuss with an advisor and HS counselor)*
