

## K-12 English Language Arts Professional Learning

Christina Martin, our Berrien RESA English Language Arts Consultant, is available to provide professional learning. Below is the catalog of professional learning that is offered on-site.

### What do we offer for Professional Learning Options?

- Balanced Assessment Systems
- Building ELA Units of Study - Common Core Standards/Assessments/Resources
- Implementation of English Language Arts Curriculum
- ELA Evidence Based Teaching Strategies K-12
- Essential Standards in English Language Arts K-12
- Protocols for Developing Learning Targets & Success Criteria for ELA ● PLC/Collaborative Team Meetings with Grade Level Teams (4 Essential Questions) ● SAT/PSAT Data Analysis
- Essential Instructional Practices Literacy - Grades 4-12

\*\*I am willing to provide and discuss training of additional concepts upon request.

### How do we offer Training and Support?

Customized training, support, and coaching can be provided for...

- District
- Building Team(s) and/or Grade Level Team(s)
- Individual Educators and/or Team Leaders

To request professional learning, please complete and submit the Support Request Form.

[Submit Request](#)

### **Next Steps:**

1. Once the form is received, there will be a response within 48 hours.
2. Location and date will be determined. The professional learning could take place on-site or at Berrien RESA.
3. After approval of the plan a confirmation email will be sent regarding the professional learning.
4. Berrien RESA will be in touch prior to the requested date to go over final details and verify information.

\*\*Please note that the sooner you submit your request for support, the greater the chance your date will be available. There may be times that the dates and times selected cannot be matched due to calendar conflicts.
